### News Briefs

#### CAR HITS CHILD

Bernard Ryan, 5 son of Mr. and Mrs. William Ryan of New Orleans, La., is to be released from Baptist Hospital in New Orleans today, after observation for injuries sustained when he was struck by a car on Beach Blvd. Saturday afternoon. Gray Wile, driver of the vehicle, told Waveland Town Marshal, Fred Broussard, that the child darted in front of his automobile. Bernard was first treated at a Hancock General for cuts, bruises and slight skull fracture, with no serious injuries. He was then taken to Baptist Hospital, where Mrs. J. J. Ryan, his mother, is now staying at her summer home 836 Beach Blvd., Waveland.

#### CITY COUNCIL MEETS

Mrs. Robert Fayard was hired Monday to take over the duties of the city finance department formerly handled by Mrs. Anthony Pitalo. Mrs. Pitalo is replacing Eugene Davis who has resigned. Action by the Mayor and Commission Council was unanimous.

In other action council authorized a \$25 advertisement in The Waveland, official publication of the Tennessee and Mississippi Sheriffs and Peace Officers Association, and \$60 in a special edition of the Mississippi Register commemorating the 125th anniversary of the Diocese of Natchez (now Natchez-Jackson).

#### HONOR ROLL

William Perry McCutcheon was among 899 students at Mississippi State College to make the dean's list for the spring semester with a B average or better.

#### JAYCEE PICNIC

Jaycees and Jayceettes will hold their first annual barbecue picnic Sunday at 9 a.m. Sunday on the property near Jordan

## Study Extending Aug. 1 Deadline

The Aug. 1 deadline for vacating property in the Hancock County test site area remains in effect, officials of the National Space and Aeronautics Administration told the Echo late Tuesday.

Both Joe Jones, public information director for the Marshall Space Flight Center at Huntsville, Ala., and Jim Funkhouser, PIO for the Michoud operation, confirmed, however, that a request for a 30 or 60 day extension is under serious consideration.

"We are most sympathetic with the landowners in the fee area and will do everything we can," Funkhouser declared. "Since no decision has yet been made so far as we here

now know, we are proceeding as though Aug. 1 is still the deadline."

Jones reported that Senator John Stennis had requested an extension in the moving date as a "humanitarian measure," saying it would create a hardship in many instances.

Meanwhile, O. B. Moore, project manager for the Corps of Engineers' land acquisition office in Bay St. Louis, estimated there are less than 20 tracts in the fee area on which negotiations have not yet commenced but the staff expects to meet the July 15 deadline for making offers. Most of these involve out of state owners and instances in which the Engineers expect to have to institute condemnation proceedings.

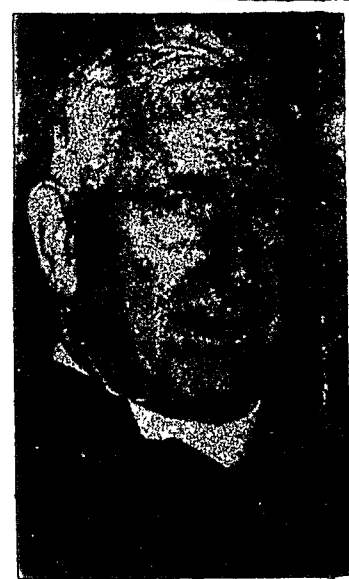

Moore late Tuesday listed 66 tracts covering 430 acres at a cost of \$453,000 optioned to date. This represents an increase of 16 options of about 100 more acres since late Wednesday. In addition, he said, offers have been quoted on 77 tracts involving 4,000 acres at a cost of \$709,000.

No contact has yet been made with International Paper Co., which is said to own about 11,200 acres in the fee area, Moore reported. On the basis of figures he gave it appears that the less than 20 property owners to be reached hold some 600 acres, there being 13,550 acres sought for the test site proper. Several options have involved tracts partly in the fee area and partly in the easement section.

Two members of the legal staff for the Engineers' Mobile district have been assigned to the Bay St. Louis office to speed title paper work. They are Joseph C. Talmor and Fred Holt.

Two more deeds have been put to record in the last week.

## Rev. Costello Dies, Burial In Ireland

Funeral services for Rev. Michael J. Costello, 74, retired pastor of St. Clare's Parish, Waveland, were at 11 a.m. Monday at St. Clare's, Bishop R. O. Gerow of the Natchez-Jackson diocese celebrated the solemn requiem mass and Rev. Msgr. James J. Hammon delivered the eulogy. Also present was auxiliary Bishop Joseph B. Brunini and numerous members of the clergy from the Bay-Waveland area and the Gulf Coast, who served as pallbearers. Fourth degree members of the Pere LeDuc Council of the Knights of Columbus formed an honor guard.

The body, accompanied by Father O'Brien, pastor of St. Clare's, and John F. Audarner, will be returned to Ireland Sunday. Burial will be in County Cavan.

A native of Ireland, Father Costello died Saturday at Hancock General Hospital, following a long illness.

He was appointed assistant pastor of Our Lady of the Gulf Parish in 1917, and pastor of St. Clare's Parish in 1919, and was also a member of the Pere LeDuc Council of the Knights of Columbus. He retired last April.

## Assessment Grows

### Waveland Lets Road Work Bid

The \$45,115 bid of Bosworth Construction Co., Inc., to build roads on a unit basis, was accepted Tuesday night by Waveland Town Council, with a formal acceptable contract to be drawn up by the construction outfit and Dan M. Russell, Jr., town attorney.

Enoch Kennedy, formerly assistant engineer for Hancock County, offered to prepare the plans and specifications and give personal supervision of the construction program for a fee amounting to six per cent of the amount paid the successful bidder.

The board was approached by Mrs. Lucille Hebert, New Orleans, and Russell Albe concerning property rights in the triangle formed by the junction of Water and Fell streets. At least two, including Mrs. Hebert, have built their homes partially on property the town owns. The board was to inspect the property involved late Wednesday.

After approving the minutes for the previous month and authorizing payment of the June accounts the board granted building permits amounting to \$38,075 as follows: J. E. Comiskey, jr., pier; Mrs. Carl Kammer, house and repairs; Dalores Johnson, house; J. S. Dupacquer, house; M. J. Keenan, jr., addition; and Gulf States Corp., three houses.

Town assessor C. O. Dufour, was authorized 35 gal. of gasoline as compensation for the automobile mileage involved in keeping the assessment rolls current. Council also directed payment of \$250 to the Park Committee for purchase of swings and a slide.

(Cont. on Page 10.)

Hancock County's real estate and personal property assessment for 1962 is up more than one quarter of a million dollars over last year despite several large tax losses, County Assessor George Heitzmann told the board of supervisors Monday.

The total assessment now stands at \$9,566,591, an increase of \$289,168.

Heitzmann said personal property roles were down \$130,000 largely because (1) there was no assessment on the two local banks because of the expansion provision on real estate investments and (2) two major firms had terminated business, Bay Motors and Bay Mercantile.

On the land roles 169 lots in Beat 1 and 194 in Beat 2 reverted to the state when owners failed to pay taxes on them, he continued. Heitzmann said he assumed part of this was due to the projected NASA test site in these areas.

The figures do not include the

public utilities and automobile assessments which are expected to boost the over-all total to about \$14.5 million.

The supervisors accepted the land roles as presented and set plans for day to day meetings to hear petitions for equalization.

Breakdown of the realty and personal assessments was as follows:

Beat 1, \$976,090; Beat 2, \$460,078; Beat 3, \$327,055; Beat 4, \$953,170; Beat 5, \$6,835,288; Hancock County school system, \$3,014,840; Picayune Municipal School District, \$381,283; Bay St. Louis Separate Municipal School District, Bay St. Louis, \$3,290,588; outside area, \$1,207,680, and Waveland, \$1,659,290.

In other action the board approved Sheriff Gerald Price's recommendation of James Favre as jailer to succeed the late Theodore Moral and approved claim dockets for June, transferring along the way \$1,000

from the county-wide road and bridge fund to the Beat 3 road and bridge maintenance fund.

## Nab 4 in Road Block On Bridge

Four men arrested late Tuesday in a road block on the Bay St. Louis Bridge are held in Hancock County Jail pending further investigation by local authorities and the FBI which called in by Sheriff Gerald V. Price, Sr.

The block was set up on information received from Harrison County sheriff's office. Deputies Gerald V. Price, Jr., Donald Marquar, Ford O'Neill of the State Highway Department and Patrolman D. D. Cvitanovich made the arrests.

A dice table was confiscated in a U. S. 90 establishment and Lawrence Milton Furst was arrested late Tuesday night on a charge of operating a dice game. Furst is in jail awaiting hearing on the charges.

Sheriff Price said he will allow no big time operators in Hancock County and has requested all local real estate offices to have buyers of new businesses register with his office in order to prevent professional gamblers, b-drinkers and other shady characters from moving into the area by checking on backgrounds to discover possible criminal records.

## Couple Rescued At Three Oakes

A Lakeshore couple was rescued in the Three Oakes area of the Mississippi Sound about mid-morning Monday after being stranded there overnight on their way home from a fishing expedition which started at 4 a.m. Sunday.

Found mosquito bitten and hungry after their outboard motor boat developed engine trouble and run out of gas were Mr. and Mrs. Joe Stigler of Lakeshore and New Orleans. They were towed back to safety by Russell Elliott, head of the local Civil Defense boat search and rescue squad, and Elmer Buck Laddner.

The couple set out before dawn Sunday from Bayou Caddy bound for Half Moon. When they had not come home by 10 p.m., the family notified the Coast Guard and a night-long search ensued. Civil Defense joined in the search Monday morning and found the pair. The reported that at one time a search plane had flown right overhead but they had no flares.

## On Traffic Enforcement

# Chamber Finds No Fault

The sheriff was enforcing traffic laws, was the conclusion of the board of directors of Hancock County Chamber of Commerce at a special meeting Monday night.

The session had been called to discuss the adverse publicity being given Hancock County by the American Automobile Assn. in its campaign U. S. 90 in Hancock County as a strip where traffic enforcement was "strictly enforced," a sort of junior speed trap.

National Observer, weekly newspaper published by Dow Jones and Co., comparable to U. S. News and World Report or Time, issued an updating by AAA of "traffic enforcement trouble spots," including seven classes of "speed traps" and 33 as alert areas or laws "strictly enforced." Nine Mississippi areas, including Hancock County, U. S. 90, were in the latter group. The other eight were: U. S. 49 south of Hattiesburg and seven counties: Alcorn, Chickasaw,

Lee, Marshall, Pontchar, Tippah, and Union.

After discussion of the problem by the board Powell Glass, jr., vice president, moved, seconded by H. Hardin Shamack, that the board go on record as deploring the adverse publicity but that no "evidence has been brought to the attention to indicate other than that the sheriff and his deputies are enforcing the law." The motion passed without opposition.

Board members present at

the meeting were President W. Roy Gordon, Glass, Shamack, Dave McDonald, Warren Carver, Joe V. Colson and Andy Becker.

## Arthur Chapman Re-elected by 4th Degree KCs

Arthur Chapman was re-elected Faithful Navigator of the Pere LeDuc Assembly 1522, Fourth Degree Knights of Columbus, at a meeting June 26.

Serving with Chapman will be A. K. Martinovich, jr., faithful captain; Otto J. Mollere, faithful controller; Anthony Morreale, faithful outer sentinel; Sylvester Benigno, faithful inner sentinel; Albert Grass, faithful cardinal, all re-elected, and J. J. Kachler, faithful pilot. Rev. Msgr. James J. Hammon was appointed faithful friar.

New officers will be installed jointly with the other Fourth Degree Assemblies of the Gulf Coast in July.

VISIT AT PT. CHAPPEE - National Guardsmen at Ft. Canby, Ark., pose with local visitors to 134th Transportation Co. there last Wednesday and Thursday. In foreground are American Legion Commander Frank Taconi; Mess Sgt. Andre Arconneau standing; Capt. Irvin Kingston, CO of unit; Col. Anderson, Army officer from Jackson, Mayor John Scaife, Rep. Clarence M. Laddner, Lt. Col. F. H. Staley, battalion commander, and Maj. Gen. W. P. Wilson, state adjutant general. Also making the trip from here was Ellis Cuevas of the Sea Coast Echo staff. Arm officers had high praise for the work of the 134th which serves as transportation support unit for the 100th division of Kentucky in training basic trainees. With about 25 per cent of the company planning to stay in the service, the unit will have to rebuild its strength when it returns to Bay St. Louis in early August. Trip to Chaffee was made on C-121 and return by C-119.

## Polly At Waveland

Might just as well begin with an explanation—we've received a number of phone calls regarding the fact that certain items did not appear in last week's paper, in fact this occurs just about every week. In any newspaper, there is just so much space and no more—whether it be eight or 28 pages, this is set a couple of days before the paper is actually published. . . should additional advertising or a big news story come in, something has to give. . . then of course there are a few other things of importance. . . such as front page stories, editorial comment, society, sports, other columns, etc., to be squeezed in. We love to receive news notes from any and all sources, and promptly type each and every one on our prolific typewriter. . . and that's where we have difficulty at times. . . it's just a little too prolific and some matter must be held for next week's edition—so please continue to write, call or just plain tell us any and all news and if it doesn't appear this week, just wait. . . it'll turn up next.

We'll leave requiems for Father Costello, who passed away at Hancock General early Saturday morning, to others, for we're certain they'll be plentiful—and just comment we will always remember him for the twinkly in his eyes beneath their bushy browsed canopy, his wonderful Irish brogue and genuine love for a funny story. We don't think he'll ever be forgotten by anyone who knew him and feel sincerely that our grandchildren and great grandchildren will hear of him as some tales of his spiritual and physical prowess had become almost legendary during his lifetime.

Bessie and Lester Haverly became grandparents for the third time when daughter Linda (Mrs. Fred) DeHann gave birth to her second son Wednesday. Master Keith Anthony weighed in at seven pounds, 10 ounces, and measured 21 inches upon his arrival at Hancock General.

### Koenigs Are Leaving

It's with real reluctance that we bid a fond farewell to Bunny, Ferd, Debbie, Michael, Carol and Kelly Koenig, who have been transferred to Pasadena, Texas. Bunny was overwhelmed when surprised at a bon voyage party at Mary (Mrs. Gray) Wade's home Friday morning. Mary and fellow Tennessee Gals wives presented her with a lovely farewell gift. Bunny was almost speechless as it was the first party ever given in her honor. Men in the company honored Ferd at a stag fish fry Friday night and the children weren't forgotten—there was a big beach party for them the same afternoon. They are scheduled to leave their Farrar Lane home Monday and are somewhat perturbed as they have in addition to the usual woes of moving, the problem of anticipated kitten-birth. They figure that their Siamese will produce her second litter somewhere between here and Houston.

Althea Balaski is in for a sad homecoming upon her return from New York City; her beloved dog, Sissy, died of a heart attack last Thursday.

It was with real sadness we learned that Mossy Manor, local landmark and home of the late Ray Steffel had burned to the ground early Thursday morning. The house and contents were a total loss and Steve Steffel and his cousin Roy Fayard escaped from the holocaust with their skins and very little else. Steve's glasses were even lost in the blaze.

Belle Peterson is in a spin preparing for her annual summer visit from daughter Margie and son-in-law, Jimmy White. Grandchildren Weldon, Jeannie Marie and Ronnie Paul arrived from Houston last week and Margie and Jimmy will be here when Belle and Charlie celebrate their silver wedding anniversary July 10.

Frequent Lakeshore visitor, Pat (Mrs. Hal) Becker did herself proud on a nationwide television broadcast last Tuesday night—her winnings on Pass Word totaled \$12,050. Pat is the daughter-in-law of Easie (Mrs. Jean) Charbonnet.

Congratulations and best wishes to Mr. and Mrs. W. J. Howard of Clermont Harbor who recently observed their 46th wedding anniversary—we've an idea they're saving the real celebration for the arrival of daughter Alice and son-in-law Pinky Muller of Kansas City, Mo., who are expected for a 3-week vacation visit sometime this week.

Baldwin Wilday sold the winning ticket on the Clermont-Lakeshore Youth Center beverage basket to Nick J. Schiro of New Orleans. . . Mr. Schiro's luck is much more pronounced than his handwriting, consequently we called him Schwin in last week's column.

### Bay Side of the News

Rev. Broussard, who assisted at Our Lady of the Gulf Sunday, is the brother of former Clermont Harbor resident, Faye Freeman—Faye's husband, Bob, was with Tennessee Gas, Yvonne and Norman Benigno lead such an active social life we wonder where they find the energy to continue the pace—a couple of weeks ago they attended a wedding in New Orleans on Saturday, enjoyed a barbecue the following day, were guests of Ursula Craft at another barbecue Tuesday night—and I forgot to mention a crab boil they hosted in their spare time. Lt. Myron Smith, Jr., who was sent to England shortly after receiving his degree in veterinary medicine, is taking advantage of travel opportunities. . . he's on leave at present and after a brief stop-over in London, proceeded to Paris and may even get to Rome, time permitting.

Game Warden Nolan Ladner and attractive wife celebrated their 29th wedding anniversary July 3. Former residents Carol and Jim Pfeiffer and four children returned to former haunts Sunday—they came especially to attend the Legion Fair. Gloria and Lukie Benigno visited the sumptuously appointed Bommersang Club Sunday.

Mrs. W. S. Goldman and Oscar Steiner, both summer residents, walked away with first place awards at the Yacht Club's annual shipwreck party Saturday night. We didn't see the winning outfits, but bet the judges had quite a time making up their minds; Yvonne Humphreys was a doll as Miss America of the early 20s vintage.

### Events of the Weekend

Perfect weather favored weekend activities. . . the sun shone brightly in Waveland as local softball teams participated in an all day tournament in honor of the dedication of Elwood Bourgeois Memorial Park. League leaders

O.L.G. defeated Mollere's Realty in women's exhibition play and Southern Realty walked off with the men's trophy generously donated by M.L. Carter who emceed the affair. An enormous crowd turned out—many remained all

say—Mr. and Mrs. Leo Seal, Dean and Mrs. James Robert, Mrs. A. L. Rea, George Helms, and Gerald Price, his father, the sheriff, of course, Mary Alice, Joe and the three small Beauvonts, Russell Elliott, Myrtle and Wesley Hoos, Shirley and Roland LaFontaine, Frank Trapani, John and Tina Monti, in fact just about everyone in Waveland and many from the Bay were present. Park committee chairman, Mrs. Winthrop Baker, lovely in a white linen, checked, spoke briefly and vitally expressing appreciation for the wholehearted cooperation of the community for the success of the dedication and asked us to add an additional note of gratitude to everyone who assisted in any way.

The American Legion's 11th annual fair was also favored with ideal weather and mobs descended upon the beach Saturday and Sunday nights. The crowds remained to view the spectacular fireworks display Sunday. Mr. and Mrs. Fred Garmon are spending the week at Garmon's Villa, Clermont Harbor.

### Another Illness

Get well wishes go to Betty Phillips who has been plagued with bad luck since breaking her hip in a fall several years ago. She suffered a fractured arm when she slipped on the porch of her home Saturday. Mrs. S. O. Stone of Orlando, Fla., was the recent guest of her daughter Charlotte and son-in-

law James Lathorn.

Receiving a warm welcome from their many friends here were Mona and Ray Shepherd, who popped in Saturday afternoon surprising Ruth and Red Lee. Mona, looking more glamorous than ever, has a dream job as secretary to the president of a large company and Ray operates his own service station in Asheville, N.C.

Birthday greetings are in line for Little-Carlos Lozano, 11, better known as "Little Joe"—he cut his first birthday cake yesterday, July 3.

A lot, a 19-inch television set and four brand new tires are first, second and third place prizes at the annual St. Clare's Church Fair.

Mr. and Mrs. Sylvan LaFontaine invite their many friends to attend their golden wedding anniversary Sunday at the Lakeshore civic hall.

The couple will renew their vows at 7 p.m. at St. John's Catholic Church. Rev. Cassius Hughes officiating. The reception will include Monroe LaFontaine, Mrs. James Ingersoll, Gerald LaFontaine, and Mrs. Eric Lozano, of Lakeshore and Mrs. Lynn Rutherford of Bay St. Louis. Another son, Russell, was killed during World War II.

### Note Anniversary

Mr. and Mrs. William Olson celebrated their first anniversary Sunday with a gathering at their home on Second Street. Guests included Rev. Bill Harrison, Mr. and Mrs. Morgan Bates, Mr. and Mrs. A. J. Monti, Mr. and Mrs. J. D. Greene, Mr. and Mrs. Leon Harvilla, Mrs. Don Coffey, Mrs. Philip Scaffidi, Mrs. Josie Olson, Miss Linda Perdue, and Johnny and Jan Harvilla.

St. John's Catholic Church Altar Society elected officers Sunday. Mrs. Victor Green was named president for the coming year. Mrs. George Montgomery, vice president, and Mrs. Val Fuch, secretary. Plans for the fair July 14-15 were completed and attendance by all members and friends is urged as work on the new church will begin in September. Prizes include a stereo phonograph, a portable hi-fi, and a dinner service for eight.

Allan Green celebrated his 12th birthday June 29. Among his gifts was a darling pet coon from his neighbors, Mr. and Mrs. C. M. Masson. Audie Stoufflet was a big 11 on July and Irene Garcia seven on June 18. Happy birthday to all.

Mrs. Clarence Moran entertained June 23 with a bridal shower honoring a recent bride, Mrs. Carroll Peterman, the former Lois Ann Rinehart. Guests included Mrs. Laura Bosarge, Mrs. Gordon Courree, Mrs. Tommy Moran, Mrs. Charles Moran, Mrs. Ory Ladner and the bride's mother, Mrs. Eugene Rinehart. Mrs. Pauline Necaise and Mrs. Shirley Ryan were unable to attend but sent gifts. The Moran family attended the wedding at the Baptist Church in Lyman and Cheryl Moran caught the bridal bouquet.

On Sunday Malcolm, and his brothers Floyd and Marion drove to Jackson V. A. Hospital, to visit Floyd Green, Jr., who is reported to be doing a little better, but still critically ill. My brother Valden Strickland and family of Chalmette came over for a short visit and son Irvin went back with them for a week or two of city living.

Get well wishes to Mrs. Harvey O'Farrell who underwent tests at Hancock General last week.

Times

The fact that just about the same holiday of the year in our past week up smack dab in the middle of the week seemed to have no effect on its popularity. There were barbeques, dances, swimming parties, picnics galore. Noting the younger set in the crowd, David Dahlgren, Billy Bradford, and Paulene Glass, San Antonio, Beverly and Kearney, Jr., and most of the one or more guests for the day.

Carol Bourgeois, Waveland's daughter of the Deep Sea Fishing Club and Ripple Rausch, princess from the Bay, will no doubt remember this week for years to come. Carol was officially crowned Saturday night after which she and her princesses were honored at a banquet at the Bay and a dance on the roof of the Meridian Hotel. Carol's guest Saturday was Mary Ann Russell, Miss Esso, of Baton Rouge, who entertained the local group on their recent visit to her home town. Sunday was also quite an event for Carol—when introduced at the dedication of Elwood Bourgeois Memorial Park, she was presented with a gift certificate for club and merchandise presented by local merchants.

Miss Bay St. Louis, Lana Taylor, is also gaining favorable publicity for our area. She was on Mid-day, WDSU tv, Monday.

Katy Torgersen, Lynn Peterson and Bonnie D-Amico returned from Panama City, Florida Saturday. The girls were accompanied by a couple of other teenagers named George and Ann.

Lynn Hall is in Nashville, Tenn., where she is attending the summer session at Vanderbilt.

Jimmy Mayfield dashes home from the University of Southern Mississippi each weekend. The attraction is a lovely young lady, the other softball.

Jim Clark, Wynn Heath, Sue French, Basil Kennedy and Bob Whiffeld can be found at the Night Club every day during the Race Week.

Barlene Bourgeois, home for good after spending almost a year at Sanatorium, looks and feels like a million dollars. Dianne Hunter and Linda Herre are spending every spare moment polishing their driving skills as they will both be eligible to take driver's tests this month.

Clement-Lakeshore Youth Center members are looking forward to their upcoming dance Saturday night at the center. A band will play appropriate melodies for dancing on the hay covered floor and costumes will be strictly cowboy in style.

Dianne Grass, who will soon have been twice via matrimony, was feted at a bridal shower by her bridesmaids at the home of her aunt, Mrs. William Grass, in the Crescent City recently. She also bid a fond farewell to her lovely Regina Moran who became the bride of Lenard Stanard of Poplarville on June 16. Former resident, Ann Bryant, now makes her home in St. Louis, spent the weekend in St. Louis.

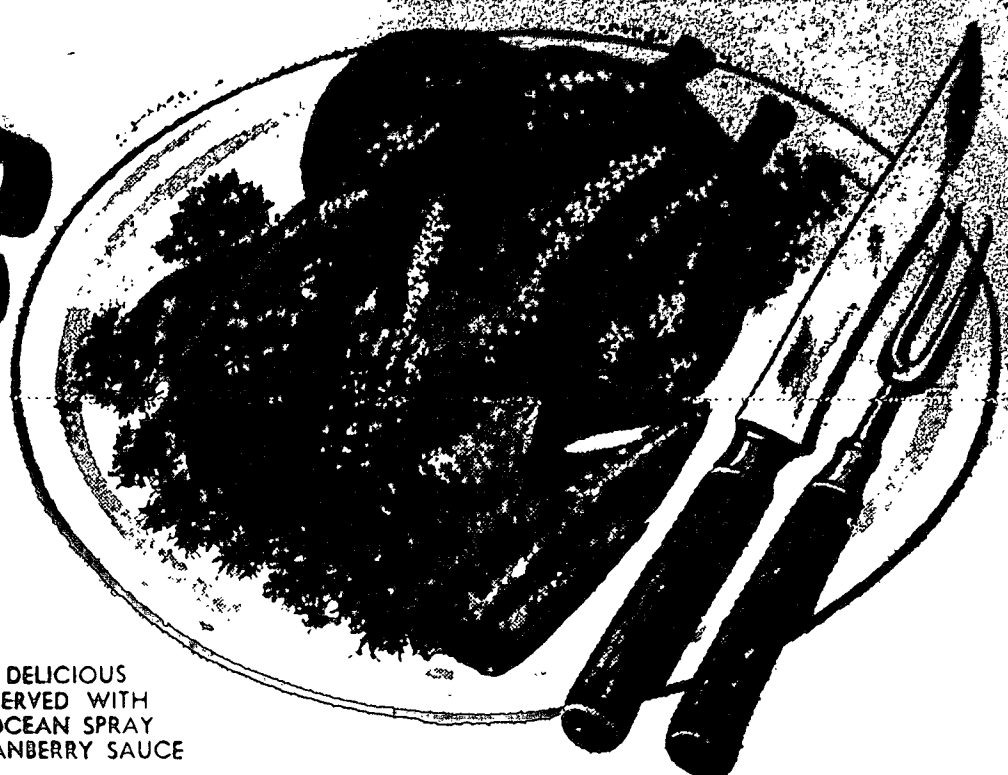

Johnny Kramer is our candidate for the current Cassa. Johnny has so many friends, it's impossible to give away any secrets. Editor Harry Shattuck must have some reason for visits to Pass Christian. Sunday Wilson has been crowned the 10th annual Dixie National Beauty Twirling Institute and Ole Miss campus July.

## Desperate

Picayune must be getting desperate. A thriving community, must go forward or backward. Instead of going forward in the usual way, Picayune, judged by the Picayune Item, wants you and me to foot the bill for an interstate highway that could only benefit Picayune at the expense of all the gulf coast municipalities from Moss Point through Hancock County.

While the Item's lead news story of last week talks of the proposed Interstate 10 passing through the "test facility", neither the news story nor the companion lengthy editorial make it clear that, as presently contemplated, Interstate 10 will not touch the test zone proper, although it will pass through the buffer zone.

The argument for Picayune, judged by its newspaper, is that the coast communities have U. S. 90 "so give Interstate 10 to us". The facts are that present plans call for Uncle Sammy to drop U. S. 90 on completion of Interstate 10.

Picayunatics apparently want our government to maintain two major highways, U. S. 90 and Interstate 10, for the benefit of Picayune almost alone. These extremists want the super job from Mobile to Baton Rouge through their community and to heck with the expense of maintaining poor old U. S. 90, the connecting link for the populous Mississippi coast cities.

In the name of conservatism Picayune's paper advocates two highways instead of one. Hard put, wouldn't you say?

## Fee System

We realize that the American Automobile Association, a most b-o-o-r-i-s-h and o-u-g-h-t body to which we do not belong, advises its members that the traffic laws of Mississippi along U. S. 90 in Hancock County are "strictly enforced". We assume that this basically critical listing of our country is the result of a more than usual number of complaints made to AAA by its members.

The specific complaints reaching us are usually such as that contained in the letter to the editor from Mr. W. J. McCawley, and, as was true in his case, the complainer usually admits he may have broke the law. Some of the complaints appear to be based primarily on the lack of diplomacy in the handling of arrests for traffic violations by the deputies. Our own contact with the deputies has been pleasant and on one occasion the chief deputy, Mr. Gerald Price, Jr., went out of his way to be helpful, but we know most of the deputies.

Another facet to the problem lies in the fact that most law enforcement officers allow a five to ten mile deviation from the stated speed limit, particularly to out-of-state travelers. Perhaps our deputy sheriffs do the same, but such is not the law and it is difficult to criticize an officer for enforcing the law.

We believe the crux of the matter lies in the fee system. We know that, so long as the arresting deputy and the justice of the peace receive extra remuneration only on a conviction, there will be suspicion that all is not on the up and up.

We believe abolishing the fee system in Mississippi, not jumping the sheriff, is the best solution to the problem.

## Apply Pressure

Late Tuesday afternoon the best information we could obtain indicated the possibility that the Aug. 1 deadline to move for those Hancock Countians in the NASA fee area might be postponed until Oct. 1. To some this extension of time, if granted, will come as a relief, albeit temporary, though we most would be wise and to get the distasteful move over with.

Of more overall importance, it seems to us, is the disadvantage to which those in the buffer zone not interested in growing pulpwood may be subjected as a result of not being able to require federal authorities to purchase the fee interest in their property.

Ownership of property encumbered by an injunctive or negative easement such as is sought by the federal government could amount to nothing more than the obligation to pay taxes for these people.

This is a realm where properly applied pressure might be of real help, financially or not otherwise, to many of those being hurt by the necessity of the times.

**GIANT TOMATOES** - This man's not a midget. He's Robert Van Ehren of 101 McDonald Lane, and the owner of the nine foot tomato plant pictured here. This particular plant is a hybrid variety and in its first producing season yields 100 lbs. of fruit.

## Question Headline Our Readers Write

EDITOR, SEA COAST ECHO:

The headline "Fish Stab Fata" appearing in this week's Echo certainly seems to me to represent an irresponsible assumption on the part of someone. My understanding of the case was that Alphonse Garcia died of a penetrating wound of the chest, possibly stabbed, and further amplification simply represents arbitrary supposition. I do not believe there is one bit of evidence that any sea creature was involved now, nor do I believe the final pathological report will support this conception. At any rate I think such conjecture should be withheld until substantiated by proof. This is a serious charge and causes great consternation among the parents of our local children as well as the visitors to our coast.

I feel that we all should be as objective as possible concerning such an accident, and wait for definite proof before we create an issue that will do an injustice to our principle asset "marine life".

I feel that it would only be in the best interest to follow through on this story and let us know any proof brought forward at some future date. I shall watch your paper closely for the final disposition of this case.

Yours truly,  
W. L. McFARLAND, M.D.

(EDITOR'S NOTE: A question mark concluding the headline would have been better.)

Editor, Sea Coast Echo:

They Apologize Too Much

In a speech a couple of months ago in Hartford, Connecticut, Mr. Eric Johnston, president of the Motion Picture Association of America, asked the plaintive question: "Why, despite our undustry efforts, does the film industry fail at times to have public confidence?"

Then he suggested an answer. The movie people apologize too much, he said. They should take pride in the fact that they have amended their production code. (Mr. Johnston apparently uses the term "amended" when he means a general tooth extraction.)

"What art form," asked Mr. Johnston, "has not had to keep up with the times to reflect contemporary society?"

Well, hooray for Mr. Johnston's contemporary society. Incestuous Americans. Perverted Americans. Degenerate Americans. Murderous Americans.

How many of these contemporary Americans do you know?

Public Service Ad

But perhaps the most intriguing part of Mr. Johnston's speech dealt with newspaper movie ads. It is ridiculous, he said, for parents to complain about bad influence by movies upon their children when all parents have to do is look closely at the ads.

"I have yet to run across a movie ad so subtle," said Mr. Johnston, "that a concerned parent would not know whether the film was suitable for his child."

Well, here is a semantical pole-vault that ought to set a world's record. For the suggestive, half-dressed figures locked in passionate embraces that have been decorating the theatre ads in our great cities for decades are now revealed as a public service, generously paid for by the movie moguls so that parents can be warned!

Last year our advertising manager and I got so tired of Hollywood's horizontal art that we decided to throw out the worst and set up some standards. We thought that this belated ukase of ours might cause some interruption in advertising some shows. But no. Within a couple of hours the exhibitors were down with much milder ads. How was this miracle accomplished?

It seems that exhibitors are supplied with several different ads for each movie. If the publishers are dumb enough to accept the most suggestive ones those are what they get. But, if publishers squawk, the cleaner ads are sent down. Isn't it time we all squawked?

I think it's time we gentlemen of the press quit giving Page 1 play to Liz and Eddie. I think it's time we asked our Broadway and Hollywood columnists if they can't find something decent and inspiring going on along their beats.

## Miss Scafile In Pops Debut Next Weekend

Miss Sandra Scafile, lyric columnist who was born in Bay St. Louis, will make her debut with the New Orleans Summer Pops concert series next Friday and Saturday when she sings at Raymond Paige Radio City Highlights program. She won the right to appear at the spring sessions of the Crescent City Concerts Assn., sponsors of the Summer Pops.

Miss Scafile is the niece of Mayor John Scafile, of Bay St. Louis. She took her bachelor of music degree at Louisiana State University in Baton Rouge and studied a year in New York on a Rose Hampton scholarship, under the famous Metropolitan star, Miss Hampton.

She sang in supper clubs while she was in New York and was soloist in several church choirs. She is also well known in New Orleans for her appearances in the New Orleans Recreational Department's musical production. She has chosen for her Summer Pops appearance Jo Jo White from Guend's Romance and Juliet.

# Harbor Happenings

BY RAE COPE HO-7-5897

One LULLABY, several CAKES and a lot of CANDLES are on the agenda today. Susan Marie Broussard, third child and only daughter, six pounds and one ounce, arrived at Mercy Hospital Monday, June 18. She is the daughter of S. J. and Shirley (nee Burleigh) Broussard who have two sons, Danny and Rusty, and the sixth grandchild of the Harvard Burleigh who were on hand a week preceding and after her arrival. George McEvoy celebrated on the 18th also; Louise Charbonnet's granddaughter, Karen Becker, daughter of son Jack and Alice Becker of Charleston, S. C., was 11 years old on the 21st; Frances Lawton formerly of Clarendon, now of Baton Rouge, was in Annabel's with daughter Ann, buying a pretty suit for her first and only grandchild, William Russell, son of Bootsie and Lynn Lawton of N. O., who was one year old on the 27th, just two hours after his great grandmother, Mrs. J. Bonaccorre celebrates her birthday on the 26th, which is Mrs. Mabel McCoy's birthday also.

## Visitors Galore

The J. Servins of Second St. had a household of young people over the weekend. The J. Gohries had their two sons, Johnny and Robert, Mr. Gohries' mother and Mrs. Gohries' niece with them; and Mrs. Goertz and daughter Betty, continue with the remodeling of the McCoy residence they recently purchased. The rafters of JOU's JOY on Poinsett St. ring with the laughter of the 13 children of the Dominachs and the Kappens. Mr. and Mrs. Allen J. Dominach have seven, and Mr. and Mrs. R. E. Kappens have six children. The young mothers are sisters. They are looking forward to a joyous vacation.

Little Beverly Abbe, daughter of the L. C. Williams of Plaquemine, is visiting grandmother, Mrs. A. Garcia. Her uncle Isidore Williams, is watching over her and her playmates while they frolic around crabbing, floundering and swimming. The sport she liked best was planting corn in the newly turned furrows when he took them to his farm.

Guests of the Irvin Oleans last week were the Sidney LeBlancs of Opelousas. The P. T. Forthers of N. O. visited the W. J. Tonghes Sunday. Bill and Edie were visitors during the week and took in the Bay Lante Theater Critic's Choice opening night and thought it good comedy.

## Man With a Green Thumb

John Yeast has a lovely hobby - though it is maddening to his friends - His successful collection of African violets. He claims all he does to propagate them is to tighten a piece of aluminum foil over a glass of water, puncture a small hole in it and stick the stem of a leaf down thru it into the water, forget about it for a week or two until it makes enough root to plant in soil. Too many people pamper their violets to death he says. He lets his alone, waters them only once a week and never lets a drop of water touch a leaf. His day lilies grow like magic also and form a 60-foot border around the fence line of their park-like grounds and swimming pool. For the past two weeks he has been making a border along the driveway. His 20 or more rose bushes give out with a profusion of bloom for months at a time.

Nella Glessinger of Waveland and New Orleans was on Jan and Bob Second Cup tv show one morning last week with her second seeing eye dog, Rain, which she went back to New Jersey to train with after the loss of her first one, Nada, a beautiful boxer. Nada loved the attention and attention she and her mistress attracted. The constant attention to duty and ever alertness of her profession caused her to fall a victim of ulcers which brought about her death. Nella's present dog, a German shepherd seems placid, calm and aware of the fact that she is a work dog with a job to do and expects no palaver about it.

Mrs. Fred Burton of Lower Bay Road gave a lovely surprise party on July 3 in honor of her daughter Judy's 12th birthday, having Judy's uncle and aunt, Mr. and Mrs. C. W. Fisher, aunt Ada Barrilleaux and family of N. O., her friend Joan Scafile of Bay St. Louis, with Clemont friends Wanda and Marilyn Garcia, Angella Smith, Edwina Lee and Jessie Williams gathered around to make her day a happy one. Hereafter Judy and her brother Fred have celebrated jointly, but he is now aboard the USS Springfield in the Mediterranean where he celebrated his 18th birthday and will not arrive home until September.

## Frolic at the Youth Center

The CL Youth Center will rock with the music of the Lakeshore band Saturday night when William Luchid adds zest and color of his calling at the square dance to the colorful Western costumes the teens are requested to wear. To members the fun is free, but it would be an evening of inexpensive entertainment were parents and friends to attend and put some fun in their own lives by finding out what is being done for the betterment of our young people hereabout. Volunteer your services as chaperones too, Joyce and Fritz about. Volunteer your services as chaperones too, Joyce and Fritz about. Several others have given unkind words of help, suppose you help out also by calling Mrs. Garcia HO 7-6565 9-5, HO 7-2714 nights. Every third Saturday night the Tropics of Bay St. Louis will play for the adult dances.

## Arlison and Caldwell Boast Top Averages

Harold Arlison of Kila Youth Center is leading the Bay Softball League in hitting through the first five weeks of the season, it was announced Monday night at the league games. Donald Caldwell of Southern Realty heads the pitchers with an amazing 1.66 earned run average.

Arlison is batting a cool .586 while his nearest rival for the batting crown, Ronnie Ardigues of Trapani's, is hitting at a .581 clip. Henry Monti, also of the Traps, is third, followed by Wilmer Seymour of Southern Realty, Bob Mitchell of Krambe's, Billy Sills, Gene Tarrant, Boo Noto, Donald Strong and J. T. Ledner completing the top ten.

Caldwell's 1.66 ERA is by far the best in the league. Claude Yarbrough of Trapani's is second with a 4.00 ERA. Billy Osborne of Reindeer's Dirt Devils has a 5.00 mark and Red Davis of Industrial Electric has a 5.00 average.

## Ponder Promoted To Master Sergeant

Wallace G. Ponder of Tampa, Fla., has been promoted to master sergeant in the Air Force. He is assigned to the 22nd Bombardment Wing at March Air Force Base, Calif., as a personnel technician.

The sergeant, who entered the service in March, 1943, is the son of Mr. and Mrs. William R. Ponder, 102 Francis St., Bay St. Louis. A former student at Phillips High School, Birmingham, Ala., he is married to the former Evelyn W. Woodard, of Tampa. They have three children.

## Legion Junior Nine Drop 5th, 6th Tilts

Bay St. Louis American Legion junior baseball team went down to their fifth and sixth defeats of the season Friday and Monday, losing 10-1 to Biloxi Monday and 19-1 Friday afternoon to Gulfport. Both contests were played away.

Gulfport right-hander Irving King set the locals down with only three hits Monday while the winners were touching Bay pitcher Curtis Mathewson for 12 safe blows. Gulfport took a 5-0 lead in the first inning and never trailed, adding a single marker in the fourth and scoring twice in both the fifth and sixth innings. Bay St. Louis scored in the fifth when second baseman Doc Rhodes singled, stole second, and came home on an error. The only other players to hit safely for the locals were outfielder Danny Rhodes and J. P. Compton. Mathewson was the losing pitcher as Gulfport took over from place in District Eight play with the win.

Friday, Coach Gene Turner's squad also fell behind early and spent the rest of the day trying to catch up. Biloxi scored six times in the first inning, and had their stout production taking in the fourth when they scored three runs. Bay St. Louis scored in the fifth frame when first baseman Rick...

## YC Keeps Lead in Pony Play

Youth Center remained on top of the Pony League Saturday night, scoring a 6-2 win over the Sea Coast Echo Scoops in the first game of a scheduled double-header. Fehey Drug got an automatic victory from Sunny Signs in the nightcap as the latter failed to field a complete team.

Youth Center backed good pitching by Gary Noto with a solid hitting attack. Youth Center scored a run in the second on a double by Johnny Jamerson and a single by Ross Mauritz, and added five more to the total in the third frame with two walks, an error, a single by Danny Kramkey, and a three-run homer by Jamerson. Noto allowed his first runs of the season in the fifth when the Scoops' Al Jacobi doubled after two bases-on-balls.

Noto allowed only three hits in pitching the five-inning distance. Larry Johnson was the losing hurler.

Thursday's only game found the Scoops nipping Sunny Signs 1-0 behind the one-hit pitching of curve-baller Chuck Wagner. Wagner stopped the Sunny batters almost completely, the only hit coming in the fourth when Bruce Cox singled. Wagner walked only three and fanned 11, six strikeouts coming in succession.

The Scoops only picked up two hits themselves, but one resulted in a run. Al Jacobi singled in the first inning and scored on an error, giving the winners their margin of victory.

## In Women's League OLG Blasts Jerome

Our Lady of the Gulf protected its Women's Softball League lead and undefeated record with a 12-2 victory over second-place Jerome's in the final half of a doubleheader Sunday night.

OLG, behind the excellent pitching of Dale Sellier, posted its second straight win over Jerome's, undefeated until last week. Margo Jacobi blasted her second grand-slam home run of the year, proving to be enough margin for pitcher Sellier who silenced the usually-booming Jerome's bats. Jo Ann Colson was the losing pitcher.

Sunday's first game was also won in convincing fashion, as Mollere's Realty routed Maren's 18-7.

Mollere's won its second victory of the season, backing good pitching with a hard-hitting attack. Carol Demiters hurled the diamonds for Mollere's, and the big hitting blow was a home run by Margo Jacobi. Cleopatra Maren was the losing pitcher for Mollere's.

The league doubleheader scheduled last Thursday was postponed because of rain. Maren's will play Jerome's in the opener of a twin-bill tonight. OLG and Mollere's Realty square off in the nightcap, and all four league teams will be in action Sunday, according to league president Don Luntch.

## Infant Christened

Lizette Maxine Woods, daughter of Mr. and Mrs. Sidney Woods, was christened Sunday afternoon at Our Lady of the Gulf Catholic Church. Rev. Kevin Reid officiated. Sponsors were Miss Ruby Mitchell of Kila and Tony Piazza.

## Harry Hears... Fisherman's Paradise

The 14th annual Mississippi Deep Sea Fishing Rodeo closed yesterday with thousands of fishermen from all parts of the South taking part. Fishing, so we've been told, has improved the past few weeks, and several local anglers have reported good fortune.

Don Heitzmann was among those entering catches in the Deep Sea Rodeo, bringing in flounders of 2 pounds, 14 ounces, and 2 lb., to rank second among all flounders for the first two days.

Horace Ruhl, the "mullet king of Waveland", had a good day Friday - using a 10 ft. 6 in. cast net, he caught roe mullets by the dozens. He averaged about eight per throw, weighing one pound to two-and-a-half.

Jimmy Larroux, while floundering Saturday night, found crabs along the north shore near Pine Hills to be so numerous that he went home with 18 huge ones. Had he been primarily looking for crabs, he could have netted three times as many - they were all over the place. He also picked up three large and tasty flounders.

Ronnie Ferrell and two New Orleans associates hooked a stingray last week which they estimated weighed almost 100 pounds. Fishing off a pier in the Bay, they didn't land the monster as it proved a bit too heavy for their equipment.

Albert Brignac also fishing from a pier, nabbed a 20-pound stingray.

Mr. and Mrs. Bert Estapa, sons Don and Gene, Donald Everett, and son Buddy, caught 26 good-sized speckled trout last Sunday at the mouth of the river.

Jimmy Giametta and Johnny Kramer caught two large gars off the sawmill Sunday. Kramer hooked a 75-pounder and Giametta hooked one weighing about 40 pounds. Saturday, in the same area, they hooked 10-15 sharks, the biggest of which they say was about five feet long. The pair's secret formula was the using of fresh bloody croakers for bait.

Julian Lorenzen and brother-in-law nabbed 36 trout and 10 flounders early this week. Mr. and Mrs. Bernard Firpo, fishing off the highway bridge Friday, caught 25 white trout. Lee Ferrell and Pat Rutherford, a pair of fresh-water specialists, snagged 16 green trout Sunday up the Jordan River, using live bait.

## Bowling Booms in Bay

Bowling enthusiasm seems to be growing by the day locally. Each time we go bowling, we see more people there than the last time we'd been at that time.

Summer is regarded as the off season for bowling, but there are many leagues at Bay Bowl this summer and the interest in the game is running sky-high. Open bowling also goes on almost all the time, and a feature of the local center is the Gold Pin game each weekday before 6 p.m. A gold pin is used instead of one of the 10 regular pins and when the gold pin is the head pin, a strike results in a free game.

Statistics are proving that bowling is already the country's top family game and is growing steadily. We can't help but feel some of the sport will rank almost with football and baseball. The only drawback is the high cost to bowl which must be charged because of automatic pinsetters, keeping up of lanes, and other costly bowling devices.

Many colleges and universities include bowling in their intramural sports program, and before long the sport will surely be played on a varsity level. We hope so - it's a good sport!

## Griffin Sets Record

Lavelle Griffin rolled a nifty 639 series Thursday to pace bowlers in the Thursday night men's scratch league, composed of nearly all of the Bay's top average men. Griffin included a 255 game in the series, one of the best ever rolled at Bay Bowl. Griffin several times ago bowled 277, top score in Bay St. Louis. Albert Brignac also scored 600, rolling 191-223-193 for a 607 series.

In the same league, there were 149 strikes recorded Thursday night. Putting our limited mathematical knowledge to use, we discovered that bowlers in that league averaged one strike for every 2.80 frames bowled which isn't bad.

## Angling Contest for Tots Slated Monday

Youngsters aged four to eight are invited to participate in a fishing contest Monday, sponsored by the Tot Spot, under the supervision of Mrs. Don Coffey. Fishing begins at 9 a.m. at the end of North Beach Blvd., at Jordan River. Prizes will be awarded for the most poundage and the smallest fish in the four and five year old group, and the six to eight year old group. Weigh-in is scheduled for 1 p.m.

**REDS' SOFTBALL TEAM** - Members of the newly founded Reds' girls softball team with their coach, Patsy Carver, are from left, top row, Cheryl Mayer, Sandra Gayaut, Charlene Benigno, Mimi Mond, and Cathie Crider; middle row, Patsy Carver, Jamie Arnold, Betty Loup, Vallon Seuzeneau, Nancy Davis, Kathy Quigley; bottom row, Debbie Weidmann, Mary Ann Horne, Marianne Smith, and Margaret Middleton.

## Industrial Beats Merchants

## Diggers Withstand Strong Cue Threat

Ken's Little Diggers turned near-certain defeat into victory Monday afternoon, scoring six times in the final inning to edge upset-minded Cue Oil 11-10 in the second game of a Little League doubleheader. Industrial Electric roared past Merchants Bank 8-3 in the opener.

Ken's boasting a 6-1 record, went into the fifth trailing by five runs, but singles by Larry Gannon and Bert Chevris, an error, a double by Dickie Ladner, and singles by B. Favre and Edmond Schindler pulled the game out of the fire. Ken's had taken a 4-0 lead in the opening frame, but a seven-run rally in the second by the Oilers, losers of five of seven games, and a three-run third inning put the Little Diggers almost too far behind. White hit the game's only home run for the Oilers in the second. Don Ladner was the winning pitcher.

Industrial Electric also used a big inning to post their victory, scoring six runs in the third. Merchants Bank started the scoring in the first with a run on hits by Paul Raynaud and Larry Buehler, but Industrial's six-run third, coming on seven walks and no hits, put the game away. Schayot was the winning pitcher for the Little Pennies while Pursley absorbed the defeat.

Undefeated 7-Up broke open a close game with seven runs in the fourth inning and defeated Merchants Bank 7-4. Norman Ferguson, forestry demonstration; Carl Moran, Jr., co-op business program; Lowell Moran, entomology demonstration, all of North Central; and Lonnie Schultz, electric judging, of North Bay Elementary.

Mrs. Marcia Hughes, Home demonstration agent, and John W. Smith will accompany the group to the Congress.

## Blues, Reds Tie in Girls' Softball Play

The Blues and Reds matched each other run-for-run in every inning Sunday afternoon in battling to a 14-14 tie in the third game between the newly-organized girls' softball league teams. The Blues had won both of the first two by close scores.

The Blues took leads in their half of every inning, scoring two runs in the first, one in the second, five in the third, and six in the fourth. The Reds, however, scored identically the same amount in the bottom half of each frame.

Marsha Compretta led the Blues at bat, blasting a home run, a triple, and a single in three trips to the plate. Sharon Poolson led the attack for the Reds with three singles in as many bats.

Thursday afternoon, the Blues rallied from behind with five runs in the top of the fourth and staved off a last-second Reds' threat to post an 8-7 decision.

Lisa Monti, Ilona Marquez, Cynthia Kranke and Sharon Poolson all hit safely for the Blues. The Reds collected five safeties, one more than the winners. Getting aboard on hits for the Reds were Cathie Crider, Sandra Gayaut, Mimi Mond, Marianna Smith and Kathy Quigley.

## New Licenses Due To Hunt and Fish, Warden Reminds

Game warden Nolan Ladner reminds that new hunting and fishing licenses were due as of July 1, and notes several changes in game laws at the last session of the Mississippi state legislature.

The price of the resident state fishing and hunting license is \$3.25. They must be together and are not issued as separate licenses. Licenses to hunt deer and turkey are \$2.

For non-residents fishing licenses are \$6.25, small game, \$15.25, and a all-game, \$25.25. Also, to hunt frogs and turtles, a hunting and fishing license must be bought. The legislature banned the hunting and shooting of alligators.

Ladner emphasized that all hunters must have a license.

## Realty Swamps Reinike

Southern Realty opened the second round Bay Softball League season Monday night looking even better than in the first half when they dropped second-place Reinike's Dixie Dabbers 8-1 in the second game of a doubleheader.

Donald Caldwell's excellent pitching was enough to beat Reinike's, but his mates made things much easier by pounding 10 hits and making them count for eight runs.

Southern Realty, undefeated league leaders, went ahead 4-0 in the first inning. Ronnie Peterson opened the frame with a single, W. J. Cameron was safe on an error, James Gunn drove home two runs with a single to center, and Bill Watts also singled, coming all the way around to score when the ball evaded the Dixie Dabber outfielder. Doubles by Cecil Lechner and Peterson scored another run in the second, and two more men crossed the plate in the third when Wilmer Seymour doubled, Gunn and Watts singled, and Lechner hit a sacrifice fly. Realty's last run was in the fifth when Cameron doubled, went to third on an error, and scored when Gunn grounded out.

Reinike's only run came in the second when pitcher Billy Osborne led off with a double, advanced to third on an infield out, and scored on a long fly ball. Buddy Pitalo and Bobby Fayard both had two hits to lead Reinike's in a losing cause.

Caldwell was the winning pitcher, Osborne the loser.

In the night's first game, Roland's Signs downed Kranley's 11-6, leading nearly all the way.

Wednesday night's games were postponed until July 17.

Friday night, Industrial Electric, most improved team in the league and probably the biggest threat to Southern Realty, faces Roland's Signs, and Kranley's meets Reinike's. Monday, it's Trapani's vs. Reinike's and Southern Realty vs. the Bay KOs.

Next Wednesday, Kranley's will play Industrial Electric and Roland's Signs will meet Kila Youth Center.

Southern Realty continues to lead the league with an 8-0 slate. Reinike's now have lost twice, both times to Realty.

Southern's Eric Aschaffenburg, winner of Saturday's opening event, finished second in the three-race series.

Jerry Quave of Biloxi finished high in Sunday's final two races to lay claim to the Region Eight Penguin Championship.

Others reelected were Mrs. Bertha Grant, secretary, and Mrs. Elus Depree, treasurer.

Mrs. Lloyd Lewis was named vice president to succeed her husband who now travels extensively.

Launching of a membership drive was approved with Mrs. Joseph Scharf as chairman.

The group decided to continue operation of the Children's Center throughout the summer on Mondays, Wednesdays and Fridays from 9 to 11:30 a.m.

## Outdoor Boxing Event

## Mitchell, Bilbo KO Foes, Ronnie Upset

Tummy Archer of Pascagoula upset Bay St. Louis's Ronnie Peterson Tuesday night in the main event of the city's first outdoor boxing show in many years. Several hundred Bayfans, however, were treated to excellent performances by Harvey Mitchell and Larry Bilbo, both winners on knockouts.

Peterson, in the feature attraction, was below his usual form and the bout was a let-down after three high-speed semifinals. Loser on a split decision, Ronnie seemed to tire near the end of the second of three rounds and couldn't land a solid blow in the final two-minute session.

An aprils to the main event, 13 matches were fought between Bay St. Louis Boxing Club and the Westwego Athletic Club with the visitors winning eight, the locals four, and one resulting in a draw. However, several close decisions went against the locals.

Mitchell, making his first boxing appearance, knocked his opponent out at 1:33 of the second round. Bilbo swarmed all over his Westwego opponent, appearing to get the visitor so confused he didn't know where he was and winning a TKO.

Other winners for the Bay boxers, under the instruction of Buck Price, were Johnny Favre, 106 lbs., and Lester Dougherty,

70 lb. Dougherty was the only Bay boxer under 100 pounds to post a victory, with seven locals losing. Favre won on a split decision.

Phil Colson, 50 lb., lost a lousy booted decision in the opening match. Jay Warner battled to a draw and Dennis Geoffrey lost a decision, both in 70-lb. bouts. Herbie Chuina, 75 lb., dropped a unanimous duke, Orville Ferrell, 60 lb., and Gary Marquar, 85 lb., lost close verdicts that could have gone either way. Joe Tate, 90 lb., lost a unanimous decision in one of the night's top matches, as did Donald Marquar,

## HOUSE BURNS

The Waveland home of Mrs. George Joseph Daboub was destroyed by fire between midnight and 1 a.m. last Thursday. Occupants of the house, located off Waveland Ave. near the railroad tracks, were Mr. and Mrs. Roy Fayard, neither of whom was injured.

Mr. and Mrs. Leo Paul Rabateau, Negro, a daughter, Rhonda Maria, weight seven lbs., eight oz., born June 27 at Hancock General Hospital.

95 lb. Donnie Bilbo, 145 lbs., in the night's highest-weight bout lost via the TKO route when seemingly headed for victory he injured his foot in the ring ropes.

This symbol identifies an association where each account is insured by FSLIC, an agency of the United States government. Look for this emblem where you save.

This symbol identifies members of the Federal Home Loan Bank, a special reserve system for member savings and loan associations. Look for this emblem where you save.

MANY PEOPLE seem to think that every savings and loan association is insured by the Federal Savings and Loan Insurance Corporation. This is not the case.

SAVINGS and loan associations have a great responsibility to keep funds entrusted to them safe and available at all times. The Federal Home Loan Bank System, including insurance of accounts, has done a great job throughout the country for the last 25 years in keeping insured associations running smoothly.

WE THINK it advisable to place your savings only with insured institutions.

WE HAVE been instructed to publish this message of public interest and to urge insured member associations to use it in connection with their own programs to explain the role of the Federal Home Loan Bank System.
